## Low-profile innovation

Teeth-like ridges handsewn onto the back of straps allow for a low-profile innovation and 1/4" incremental microadjustments, giving you the absolute perfect fit

## Buckle frame

Releases the belt in one simple lifting motion

## Patented dual-lever ratchet

Locks onto notches on the leather, providing complete security and almost unlimited sizes

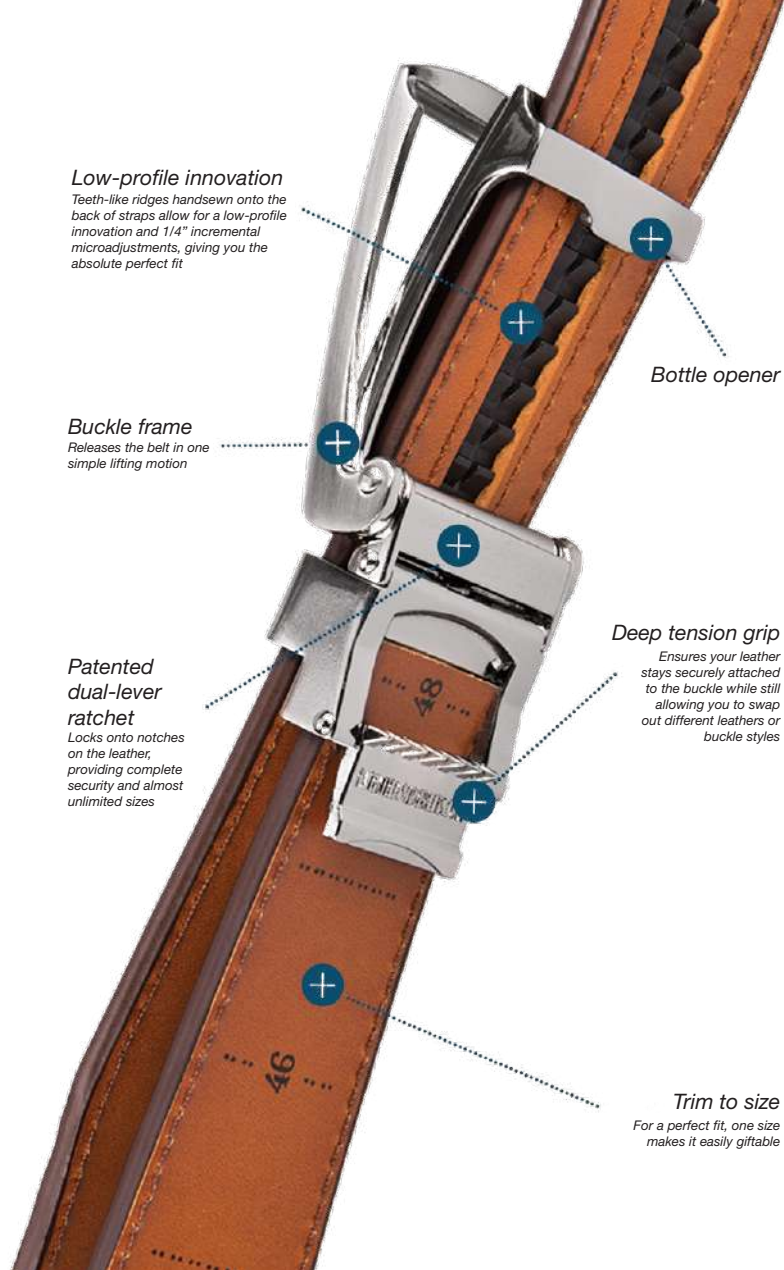

## Bottle opener

## Deep tension grip

Ensures your leather stays securely attached to the buckle while still allowing you to swap out different leathers or buckle styles

## Trim to size

For a perfect fit, one size makes it easily giftable
