CORPORATE
COLLECTION

DEMONSTRABLY SUPERIOR, PLEASINGLY DIFFERENT.

Quite simply, it says everything you need to know about what drives the development and design of Callaway. It not only represents the kind of quality performance every golfer deserves, it's also about who and what we design for in the first place. If it meets the demands of the best players in the world, we feel confident in offering it to golfers everywhere. That means, you too, can feel confident in offering our extensive range of premium corporate golf products to your clients. Create a memorable golf day with gifts that not only perform, but also optimise your branding opportunities. As you will see, we can showcase your company logo to maximise exposure to your golfing clients.

WHICH BALL IS RIGHT FOR YOU AND YOUR CLIENTS?

Choosing the best golf ball for your event or campaign can have a significant impact on its success. Choosing a Callaway golf ball will go a long way to securing the best outcome. This golf ball Selector is designed to help you choose the most appropriate ball by allowing you to prioritise importance across 4 relevant criteria.

PRESTIGE

Sometimes it's not about the recipient's ability but rather creating a 'wow' factor. Providing the user with the ultimate in world class performance and the latest technologies is our priority and yours.

ABILITY

Working together, we can help you choose a ball that matches the ability and the exacting needs of your customer to greatly enhance the success of your campaign, promotion or golf day.

TECHNICAL FEATURES

Each model of Callaway golf ball contains technologies to benefit every golfer. By knowing your customers and the type of promotion or event you're wishing to run, we can help you to find a ball with all the optimal technical features at a price point that's right for you.

TOUR USAGE

Does your client wish to use the same golf balls as some of the best players in the world? The demands of these players requires a golf ball that is high in technical features with the ability to alter its flight characteristics for different golf clubs and shot types, complementing those players of the highest ability.

“MY NEW GOLF BALL IS AMAZING.”

Chrome Soft X is definitely much better around the green for me. It was important for me to make sure I liked the golf ball (when I came to Callaway)... It's very important to see and feel that you can work the ball, and flight the ball. And that's obviously one of the reasons why I decided to come to Callaway.

SERGIO GARCIA

CHROME SOFT™ X 18

SOFT FEEL WITH TOUR-LEVEL DISTANCE, WORKABILITY AND CONTROL

Callaway's revolutionary Chrome Soft and Chrome Soft X have changed golfers' expectations for how a Tour ball should feel and perform. Our Dual SoftFast™ core has completely redefined golf ball performance by simultaneously elevating speed and feel for an unbeatable combination of distance, feel and control.

CHROME SOFT™ 18

SOFTER FEEL AND LOWER SPIN PERFORMANCE IN THE LONGER CLUBS WITH EXCEPTIONAL SPIN AND CONTROL AROUND THE GREEN.

The Chrome Soft Golf Ball is designed for Tour Proven Performance with exceptional feel. Its 4-piece construction and Dual SoftFast Core provide higher ball speeds and optimal spin rates to maximize performance through the bag.

SUPERSOFT™

OUR SOFTEST BALL EVER

Super Long • Super Straight • Super Soft
 An ultra low 38 compression* core delivers maximum ball speed with reduced spin for increased distance.

No logo available on Supersoft Multi-Colour golf balls.
 *35 ball compression applies to the New & Improved Supersoft golf balls.

HEX WARBIRD®

DESIGNED FOR DISTANCE

Designed for distance seekers who want to see maximum flight. This 2-piece ball is long and features a larger, softer, high-energy core that yields great ball speed.

CALLAWAY PRACTICE BALLS

2-piece Premium Range Ball with 75 core compression for more Ball speed and better feeling at impact. Patented HEX dimple with 100% surface coverage for best Aerodynamics and constant flight curves. Outstanding construction for longevity and high quality look.

ORDERING PROCESS

1. SELECT YOUR PRODUCTS

Use this brochure to choose the product or products from our wide range of Corporate items that fit your golf event or promotional requirements. Please contact your local Area Sales Manager who will be able to assist you with any queries.

2. SUPPLY US WITH YOUR LOGO

This should be a high resolution electronic PC compatible artwork file, supplied in any of the following formats:

.AI .EPS .PDF .CDR

These files should be readily available from your marketing department or your advertising, design or PR agency. Please ensure that any fonts used within your logo file have been converted to outlines. You can supply your electronic file on CD, by e-mail or to our ftp site. (Please contact us for ftp details).

Other Logo Formats

If necessary we can also potentially work with other high resolution (300dpi) file formats of:

.PSD .TIFF .JPEG .BMP .GIFF

...or even a good quality printed copy of your letterhead, compliments slip or business card. However please note that if it is necessary to work with any of these alternative formats, this can cause delay and may incur additional charges.

3. COLOUR REFERENCES

Please supply us with any Pantone (pms) colour references for your logo.

4. ARTWORK PROCESS AND PROOFING

Our studio production team will apply your logo to the products that you have selected and a pdf proof(s) will be sent out by e-mail to the contact address you have supplied. Once you are satisfied with the proof(s) and confirmed your approval we will commence production of the finished products.

5. PLACE YOUR ORDER

E-mail:

ukilogo@callawaygolf.com
ceorders@callawaygolf.com
secustomerservice@callawaygolf.com
nordiclogo@callawaygolf.com

6. SHIPPING

We work to some of the tightest production lead times in the promotions industry and will always work with our customers to endeavour that we meet your required deadlines.
