# FUSION 2.5

Pitchfix<sup>®</sup>  
com

"When Quality Matters"

The name of the product says it all. With the Fusion 2.5 we have combined the characteristics of our successful Hybrid 2.0 with the award winning, patented RepairTech pin technology. This is without doubt, the best divot repair tool Pitchfix has ever produced.

## Features:

- Aluminium sheets
- Switchblade function
- ABS handles with rubberised soft touch grip
- Removable Logo Ball Marker
- Integrated pencil/tee sharpener

Mr. 59  
Chip Beck

"Truly the best  
repair tool I've  
ever used"

# HYBRID 2.0

Pitchfix<sup>®</sup>  
com

"When Quality Matters"

The Hybrid 2.0 with its fresh, modern design is manufactured with twin aluminium sheets at its core and rubberised finished grips result in strength and a great feel. The Hybrid 2.0 includes a personalised removable ball marker for your company or event logo and the integrated pencil sharpener ensures no more excuses not to score!

The Hybrid 2.0 is available in 17 colours.

## Features:

- Aluminium sheets
- Switchblade function.
- ABS handles with rubberised soft touch grip
- Removable Logo Ball Marker
- Integrated pencil/Tee sharpener

# ORIGINAL 2.0

Pitchfix<sup>®</sup>  
com

"When Quality Matters"

The concept of the Pitchfix Original started in Europe many years ago. High quality, less parts and just one colour results in a very successful product that peacefully coexists with the Hybrid line at a lower price point. The Original 2.0 is based around a new design that you will see in more new Pitchfix products. Available in 6 colours.

The XL 3.0 is a lightweight switchblade divot tool made from ABS rubberised handles with aluminium sheets. It has a large imprint on the back and is available in 6 colours. The design is modern yet sporty.

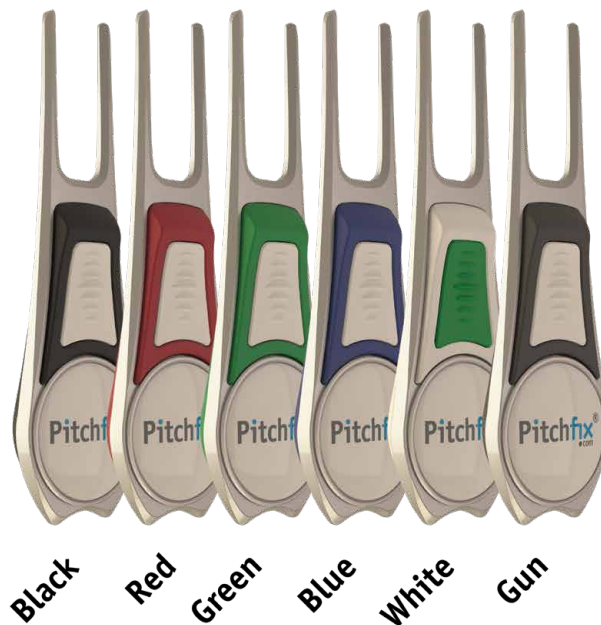

The ideal product for dual branding and co-sponsoring for events. What about an image of your golf club signature hole?

## Features:

- Switchblade function, 6 colours
- Soft touch handles
- Lightweight, aluminium sheets
- Removable logo ball marker
- Large imprint on the back

The first non-switchblade metalwork product by Pitchfix! The great combination of treated steel and ABS rubberised grips provides another great looking, ergonomic, Pitchfix product. The unique design allows up to 36 different colour combinations, ensuring the best possible match with your custom logo.

## Features:

- Available in 6 base colours
- Lightweight
- ABS handles with rubberised soft touch grip
- Removable Logo Ball Marker
- Integrated Club rest

The first non-switchblade metalwork product by Pitchfix incorporating our award winning RepAirTec pin technology! The great combination of treated steel and ABS rubberised grips provides another great looking, ergonomic, Pitchfix product. The unique design allows up to 36 different colour combinations, ensuring the best possible match with your custom logo.

## Features:

- Available in 6 base colours
- Lightweight
- ABS handles with rubberised soft touch grip
- Removable Logo Ball Marker
- Integrated Club rest

**REPAIRTEC**<sup>TM</sup>

The Pitchfix Hatclip matches perfectly with our reappear tools. Manufactured from thin, titanium coated (anti-scratch & anti-rust) stainless steel and therefore extremely light weight and durable.

The topside is made from Rubberised ABS plastic with a soft feel. Available in 13 different colours, so it can match your logo, which will be displayed beautifully on the removable ball marker.

## Features

- Stainless Steel
- Titanium treated
- Anti-Scratch
- Anti-Rust
- Rubberised ABS rim
- Removable customised 25mm ballmarker
- Available in 13 colours

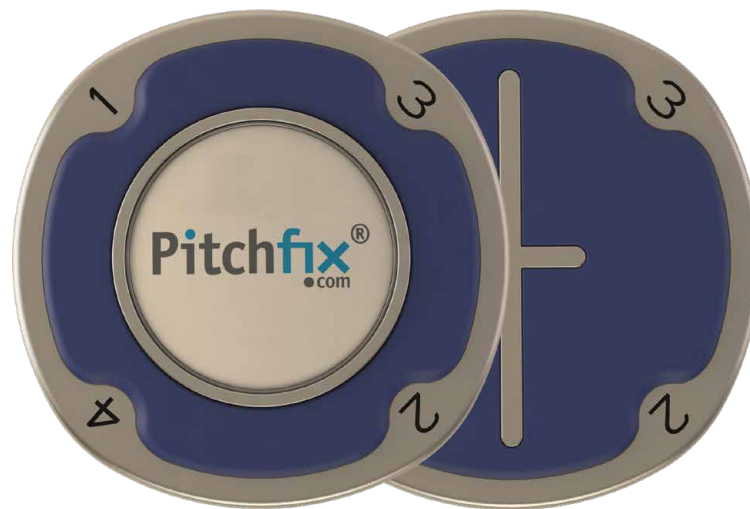

# MULTIMARKER CHIP

Pitchfix<sup>®</sup>  
•com

"When Quality Matters"

ABS Zinc alloy combination with the following functions:

- Big Marker Chip easy to find in your pocket (41mm diameter)
- Small magnet ball marker when close to someone's putting line
- Tee toss function to determine order of play on the first Tee
- Putting alignment function on the reverse side

# GREENKEEPER TOOL

Pitchfix<sup>®</sup>  
com

"When Quality Matters"

Pitchfix's first professional product aimed at the greenkeepers and course marshal. Based on the award winning Repairtec pin technology greenkeepers and course marshal can repair left over pitchmarks in a matter of seconds. Perfect repairs without having to bend over. The tool not only repairs the pitchmark but the spring mechanism in the head of the tool also pushes down the ground while retracting the pins.
